

# INTIMACY COMMUNITY GRACE

Younger Generation Church [YG] is the vibrant young adult ministry of the Arlington Seventh-day Adventist Church. Our **MISSION** is to deepen our devotion to Jesus Christ by pursuing **INTIMACY** with GOD, experiencing **COMMUNITY** with each other, and inspiring those around us with the hope of **GRACE**.

YG began just after the turn of the century as a high-energy, contemporary worship service highlighting multimedia, upbeat music, and timely, creative messages - all focused on reaching young adults. Today, YG transcends age and program boundaries, making authentic efforts to foster the great commandment and great commission in new generations.

GRACE

INTIMACY

We are wholeheartedly pursuing a 24/7 experience with the living GOD. Our worship is for His fame.

COMMUNITY

Above: Vibrant music is a key component of a Younger Generation Church worship experience.  
Below: A prayer of dedication and healing for some of the YG Church family.

It is in the process of  
being worshipped that  
God communicates His  
presence to men.  
- C.S. Lewis

INTIMACY

COMMUNITY

We express best who GOD is by doing life together well.  
Our relationships express His love.

GRACE

Clockwise from top left: Friends huddle before a Kristian Stanfill concert. Worshippers gather weekly after each service in the YG Green Room. A concert in the Underground during a recent GODenounters conference. A group taking a break from the festivities at Shindig, YG's annual Texas-sized party.

If we have no peace,  
it is because we have  
forgotten that we  
belong to each other.  
- Mother Teresa

COMMUNITY

GRACE

We are compelled to share the hope we have with others.  
Our compassionate witness reveals His Good News as real.

Above: YG members and friends help to pack boxes for hungry families at the North Texas Food Bank.  
Below: YG regularly ministers to the homeless in Fort Worth's Unity Park.

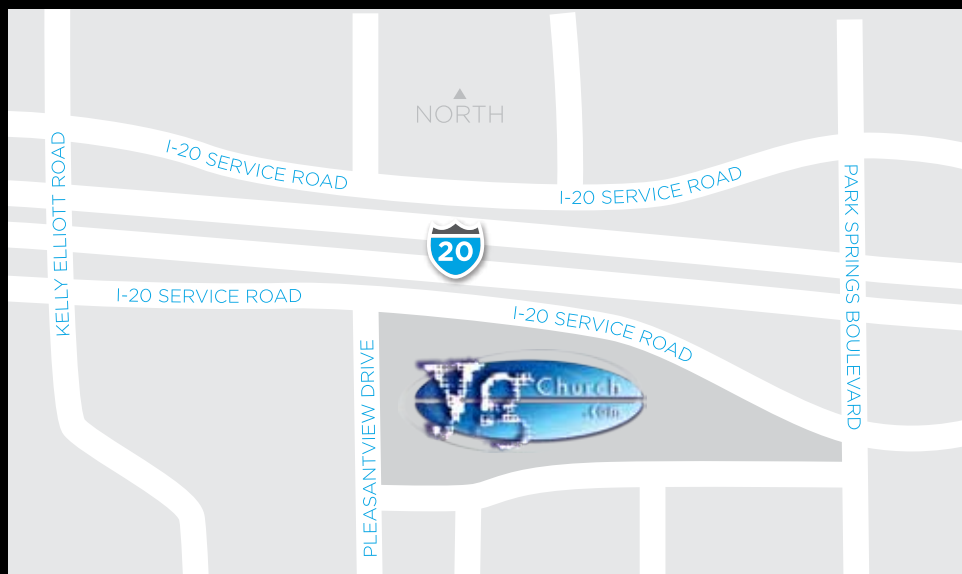

I do not understand the  
mystery of grace — only  
that it meets us where we  
are and does not leave us  
where it found us.

- Ann Lamott
